

REMARKS

In view of the following remarks, the Examiner is requested to reconsider and allow Claims 1 – 28, as well as newly presented Claims 29-33, the only claims pending and under examination in this application.

New Claim 29 finds support in the specification at page 8, line 25. New Claims 30-33 find support at page 9, line 23 to page 10, line 3. Accordingly, these amendments add no new matter and their entry is respectfully requested.

The Applicants respectfully submit that, in view of the discussion provided in the Applicants' prior response, all of the claims, including the newly presented claims herein, are patentable.

CONCLUSION

The Applicants submit that all of the claims are in condition for allowance, which action is requested. If the Examiner finds that a telephone conference would expedite the prosecution of this application, please telephone the undersigned at the number provided.

The Commissioner is hereby authorized to charge any underpayment of fees associated with this communication, including any necessary fees for extensions of time, or credit any overpayment to Deposit Account No. 50-0815, order number CALD-005.

Respectfully submitted,
BOZICEVIC, FIELD & FRANCIS LLP
